## Cisco 2 Year Limited Hardware Warranty Terms

The following are terms applicable to your hardware warranty. Your embedded software is subject to the Cisco EULA (link available below) and/or any SEULA or specific Software warranty terms for additional software products loaded on the device.

**Duration of Hardware Warranty:** Two (2) Years`

**Replacement, Repair or Refund Procedure for Hardware:** Cisco or its service center will use commercially reasonable efforts to ship a replacement part within thirty (30) working days after receipt of the defective product at Cisco's site. Shipments will use commercially reasonable efforts for delivery dependent on region to the customer address of record. Actual delivery times may vary depending on Customer location. Taxes and duties may apply and will be borne by the recipient of the replacement part.

Cisco reserves the right to refund the purchase price as its exclusive warranty remedy.

### Limited Hardware Warranty

**Hardware.** Cisco Systems, Inc., or the Cisco Systems, Inc. subsidiary selling the Product ("Cisco") warrants that commencing from the date of shipment to Customer (and in case of resale by a Cisco Approved Source), commencing not more than ninety (90) days after original shipment by Cisco), and continuing for a period of the longer of (a) ninety (90) days or (b) as otherwise set forth in this document or provided at <https://cisco.com/go/warranty>, the Hardware will be free from defects in material and workmanship under normal use.

The date of shipment of a Product by Cisco is set forth on the packaging material in which the Product is shipped.

This limited warranty extends only to the original user of the Product. Customer's sole and exclusive remedy and the entire liability of Cisco and its suppliers under this limited warranty will be, at Cisco's or its service center's option, shipment of a replacement within the warranty period and according to the replacement process described in the warranty card (or if no warranty card, as described on the Cisco Product Warranties web page <https://www.cisco.com/go/warranty>) or a refund of the purchase price if the Hardware is returned to the party supplying it to Customer, freight and insurance prepaid.

Cisco replacement parts used in Hardware replacement may be new or equivalent to new.

Cisco's warranty obligations are conditioned upon the return of affected Hardware in accordance with Cisco's or its service center's then-current Return Material Authorization (RMA) procedures.

**Restrictions.** This limited warranty does not apply if the Hardware (a) has been altered, except by Cisco or its authorized representative, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Cisco, (c) has been subjected to abnormal physical or electrical stress, abnormal environmental conditions, misuse, negligence, or accident; or (d) is licensed for beta, evaluation, testing or demonstration purposes

## DISCLAIMER OF WARRANTY

EXCEPT AS SPECIFIED IN THIS LIMITED WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, SATISFACTORY QUALITY, NON-INTERFERENCE, ACCURACY OF INFORMATIONAL CONTENT, OR ARISING FROM A COURSE OF DEALING, LAW, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW AND ARE EXPRESSLY DISCLAIMED BY CISCO, ITS SUPPLIERS AND LICENSORS. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EXPRESS WARRANTY PERIOD. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, THE ABOVE LIMITATION MAY NOT APPLY. THESE WARRANTIES GIVE CUSTOMER SPECIFIC LEGAL RIGHTS, AND CUSTOMER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. This disclaimer and exclusion shall apply even if the express warranty set forth above fails of its essential purpose.

**Limitations and Exclusions of Liability.** In no event will Cisco or its licensors be liable for the following, regardless of the theory of liability or whether arising out of the use or inability to use the Hardware or otherwise, even if a party been advised of the possibility of such damages: (a) indirect, incidental, exemplary, special or consequential damages; (b) loss or corruption of data or interrupted or loss of business; or (c) loss of revenue, profits, goodwill or anticipated sales or savings. All liability of Cisco, its affiliates, officers, directors, employees, agents, suppliers and licensors collectively, to Customer, whether based in warranty, contract, tort (including negligence), or otherwise, shall not exceed the license fees paid by Customer to any Approved Source for the Hardware that gave rise to the claim. This limitation of liability for Hardware is cumulative and not per incident. Nothing in this limited warranty limits or excludes any liability that cannot be limited or excluded under applicable law.

## Governing Law, Jurisdiction and Venue

If Customer acquired the Product in a country or territory listed below, as determined by reference to the address on the purchase order the Approved Source accepted, this table identifies the law that governs this limited warranty (notwithstanding any conflict of laws provision) and the specific courts that have exclusive jurisdiction over any claim arising under this limited warranty.

In addition, no person who is not a party to the EULA shall be entitled to enforce or take the benefit of any of its terms under the Contracts (Rights of Third Parties) Act 1999. Regardless of the above governing law, either party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such party's intellectual property or proprietary rights.
