Cisco UCS Integrated Infrastructure Solutions for Big Data and Analytics with

In collaboration with

HORTONWORKS
POWERING THE FUTURE OF DATA™

Hortonworks

75X + 15X
Reduction   Increase

After reducing processing time of their customers' data from 14 days to 2 days, analysts can run 10 to 15 times more analytic models.

A leading North American insurance company

Fast
Time to value

Once Cisco UCS® was configured (in less than 4 days), Hortonworks HDP was deployed on all of the initial 165 servers in less than 20 minutes.

A leading North American telecommunications company
