Overview

Non-Renewable and Other Subscription Services

To simplify our Service Offers, Cisco Systems© announces the end-of-sale dates for Non-Renewable and Other Subscription Service SKUs, globally. The last day to order the affected service is 10/28/2023. Customers with active service contracts will continue to receive support until the termination date of their contract. Table 1 describes the end-of-sale milestones, definitions, and dates for the affected service.

End-of-Sale Milestones

Table 1. End-of-sale milestones, definitions, and dates

Milestone	Definition	Date
Internal End-of-Sale Announcement Date	The date that the document announcing the end-of-life (EoL) and end-of-sale is made available to Cisco internal	06/20/2023
External End-of-Sale Announcement Date	The date that the document announcing the end-of-life and end-of-sale is made available to the general public	08/17/2023
Last Day to Quote	This is the last day a quote can be given to a customer or partner	09/15/2023
End-of-Sale date	This is the last date to order the affected service using Cisco point-of-sale mechanisms. The service is no longer for sale after this date.	10/28/2023
End of new service attachment date	This is the last date to order a new contract or add equipment and/or software to an existing contract for the affected service.	10/28/2028
End of service contract renewal date	This is the last date to extend or renew an existing service contract for affected service	10/28/2023

Service Migration Options

Non-Renewable and Other Subscription Service SKUs will be replaced by Cisco Subject Matter Expert or (“SME”) Quick Start Service. SME QuickStart Service is a consulting Service where Cisco provides general consultative advice and guidance (“SME Consulting Services”) in areas such as product installation, configuration, setup, migration, onboarding and enablement for the Architecture and as specified in the SME Quote.
