SPECIAL PROVISIONS

(REQUIRED FEMA DISASTER PROVISIONS)

1. Administrative, Contractual, or Legal Remedies

For all contracts greater or equal to \$150,000, which is the current Simplified Acquisition Threshold set by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council pursuant to 41 U.S.C. § 1908, Contractor agrees to be bound by the administrative, contractual, or legal remedies set forth in the State of Hawaii, General Conditions (AG-008), which govern contractors' violation or breach of contract terms and appropriate sanctions and penalties.

2. Termination for Cause and for Convenience

For all contracts in excess of \$10,000, Contractor agrees to be bound by the termination for cause and for convenience provisions set forth in the State of Hawaii, General Conditions (AG-008).

3. Equal Employment Opportunity

If this contract is for construction, Contractor agrees, pursuant to the requirements provided in 2 C.F.R. Part 200, Appendix II, and 41 C.F.R. § 60-1.4(b), as follows:

(A) Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(B) Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(C) Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(D) Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(E) Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965 [Part I - Nondiscrimination in Government Employment; Part II - Nondiscrimination in Employment by Government Contractors and Subcontractors; Part III - Nondiscrimination Provisions in Federally Assisted Construction Contracts], and the rules, regulations, and relevant orders of the Secretary of Labor.

(F) Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(G) In the event of Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(H) Contractor also agrees to include the following language in every subcontract or purchase order (unless exempted by rules, regulations, or orders of

the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965), followed by the provisions of subparagraphs (A) through (G) in this paragraph 3, so that such provisions will be binding upon each subcontractor or vendor.

Contractor shall incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. chapter 60, which is paid for in whole or in part with funds obtained from the federal government or borrowed on the credit of the federal government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any federal program involving such grant, contract, loan, insurance or guarantee, the following equal opportunity clause:

[followed by Subsections (A) through (G)]

Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance, provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The State shall report all suspected or reported violations of the Copeland Anti Kickback Act to FEMA.

If this contract is in excess of \$100,000 and involves the employment of mechanics or laborers, Contractor agrees to comply with the Contract Work Hours and Safety Standards Act, 40 U.S.C. §§ 3701-3708, and the accompanying Department of Labor regulations, 29 C.F.R. Part 5. Contractor, pursuant to 40 U.S.C. § 3702, shall compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the Contractor shall compensate the worker at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. If this contract includes construction work, Contractor shall not require any laborer or mechanic performing work under this contract to perform such work in surroundings or under working conditions which are unsanitary, hazardous or dangerous, provided however, that such requirements shall not apply for purchases of supplies or materials or of articles ordinarily available on the open market, or for contracts for transportation.
