End-of-Sale and End-of-Life Announcement for the Cisco Workload Optimization Manager

Contents

Overview

EOL15516

Cisco announces the end-of-sale and end-of-life dates for the Cisco Workload Optimization Manager. The last day to order the affected product(s) is November 15, 2024. Customers with active service contracts and subscriptions (as applicable) will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts and subscriptions (as applicable), support will be available under the terms and conditions of customers' service contract and subscription.

End-of-life milestones

Table 1.   End-of-life milestones and dates for the Cisco Workload Optimization Manager

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	October 15, 2024
End-of-Sale Date*	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	November 15, 2024
End of SW Maintenance Releases Date: Subscription	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	October 15, 2029
End of Change/Renewal Date*: Subscription	The last date to Renew or Add to an existing subscription.	November 15, 2025 **
Last Date of Support*: Subscription**	The last date to receive applicable subscription entitlements, service and support for the product as entitled by active subscriptions and service contracts (as applicable) or by warranty terms and conditions. After this date, all subscription and support services for the product are unavailable, and the product becomes obsolete.	November 30, 2029

*The requested subscription start date needs to be on or before the End of Sale Date for new subscriptions, and on or before the End of Change/Renewal Date for subscription changes and renewals.

**The last day to renew or add to an existing subscription is November 15, 2025, which will be subject to approval on a case-by-case basis by Cisco.

***The projected subscription term end date for new or changing subscriptions needs to be on or before the Last Date of Support.
