Overview

EOL13111

Cisco announces the end-of-sale and end-of-life dates for the Cisco Tetration separate base and enforcement on-premises software subscription PIDs. The last day to order the affected product(s) is March 2, 2020. The last day to renew or add to an existing subscription is March 2, 2022. Customers with active service contracts and subscriptions (as applicable) will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts and subscriptions (as applicable), support will be available under the terms and conditions of customers' service contract and subscription.

Customers currently using these separate base and enforcement licenses can migrate to a combined cloud workload protection PID that includes both these capabilities. Refer to Migration section for PID details
