End-of-Sale and End-of-Life Announcement for the Cisco Hyperconverged M5 (HX Hybrid, HX All Flash, HX Edge)

Contents

Overview

EOL15062 - Amended

Cisco announces the End-of-sale and End-of-life dates for the Cisco Hyperconverged M5 (HX Hybrid, HX All Flash, HX Edge). The last day to order the affected product(s) is October 30, 2023. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the End-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1.   End-of-life milestones and dates for the Cisco Hyperconverged M5 (HX Hybrid, HX All Flash, HX Edge)

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the End of sale and End of life of a product is distributed to the general public.	May 1, 2023
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	October 30, 2023
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	January 28, 2024
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	October 29, 2024
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	October 29, 2024
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	January 25, 2028
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	October 31, 2028

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at
https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Hyperconverged M5 (HX Hybrid, HX All Flash, HX Edge) through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to:
https://www.cisco.com/go/eos.

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
