End-of-Sale and End-of-Life Announcement for the Cisco Unified Border Element (Service Provider Edition) for the Cisco ASR 1000 Series

EOL9731

Cisco announces the end-of-sale and end-of-life dates for the Cisco Unified Border Element (Service Provider Edition) for the Cisco ASR 1000 Series. The last day to order the affected product(s) is December 29, 2014. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s).Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Cisco IOS Software Release 15.4(3)S will be the final ASR 1000 Series router software major release for the Cisco Unified Border Element (Service Provider Edition).

This announcement does not affect the Cisco Unified Border Element (Enterprise Edition) on the Cisco ASR 1000 Series and on Cisco Integrated Services Routers. Cisco will continue to offer these products.

Table 1.   End-of-Life Milestones and Dates for the Cisco Unified Border Element (Service Provider Edition) for the Cisco ASR 1000 Series

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	June 30, 2014
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	December 29, 2014
Last Ship Date: OS SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	March 29, 2015
End of SW Maintenance Releases Date: OS SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	December 29, 2015
End of New Service Attachment Date: OS SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	December 29, 2015
End of Service Contract Renewal Date: OS SW	The last date to extend or renew a service contract for the product.	March 26, 2019
Last Date of Support	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 31, 2019

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product Migration Options

There is no replacement available for the Cisco Unified Border Element (Service Provider Edition) for the Cisco ASR 1000 Series at this time.

With this end-of-sale and end-of-life announcement, Cisco will exit the service provider session border controller (SP SBC) product segment at the provider edge. Customers are encouraged to migrate to alternative SP SBC products available in the industry.

However, Cisco will continue to offer Cisco Unified Border Element (Enterprise Edition) in the enterprise session border controller (Enterprise SBC) product segment at the customer edge.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
