Cisco announces the end-of-life dates for the Cisco Viptela Software Release 20.3 versions

End-of-life milestones and dates

Milestone	Definition	Date
End of Life Notice	Announcement of end-of-life of the product posted on Cisco.com.	04 Oct, 2021
End of Software Maintenance	The last date on which Cisco Engineering may release the final software maintenance releases or bug fixes, if any. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software including Sev 1 and security vulnerabilities	31 Mar, 2023
End of Vulnerability/Security Support	The last date that Cisco Engineering may release bug fixes for Vulnerability or Security issues for. After this date, bug fixes for Vulnerability or Security issues identified in may be provided through later supported software releases. Note that there will be no rebuild releases of provided after this End of Vulnerability/Security Support milestone date.	30 Sep, 2023
Last Date of Support	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product will become unavailable, and the product becomes obsolete.	31 Mar, 2027

Software maintenance requires an active service contract.

Product Migration Options
