End-of-Life and End-of-Support for the Cisco WAE Design Windows and MacOS Platforms

Contents

Overview

Cisco announces the end-of-life and end-of-support of Cisco WAE Design for Windows and MacOS platforms

Cisco WAE Design support for Windows and MacOS Platforms will end on Oct 31st , 2021. WAE Design users of either platform, with active WAE software releases, will continue to receive technical support through November 30th, 2022. No patches or maintenance releases will be provided for Cisco WAE Design for Windows or MacOS 64-bit platforms after this date.

Product Migration Options

Cisco will continue to provide a Linux WAE Design build which will run on Windows and MacOS platforms using virtual machines.
