

Cisco AsyncOS version 8.6.x and 8.7.x for Cisco Web Security Appliance

Cisco announces the **end-of-life dates** for the Cisco AsyncOS version 8.6.x and 8.7.x software for Cisco Web Security Appliance.

Software maintenance will not be available for the stated software versions beyond **August 1, 2016**.

Application software support will not be available for the stated software versions beyond **Aug 1, 2017**.

SW Maintenance releases will be made available via Hot Patches or AsyncOS version 8.x.

Software maintenance and application software support requires an active service contract. After these dates, all support services for the product are unavailable, and the product becomes obsolete.

Product Migration Options

Customers are encouraged to migrate to AsyncOS for Cisco Web Security Appliance version 9.x and later.
