Overview

EOL14586

Cisco announces the end-of-sale and end-of-life dates for the Perpetual Licensing for Unified Survivable Remote Site Telephony Version 14. The last day to order the affected product(s) is July 31, 2022. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Renewing with Collaboration Flex Plan

Cisco is committed to long-term support for our customers with Cisco Unified Survivable Remote Site Telephony (SRST) deployments with our Collaboration Flex Plan which offers benefits including:

- Flexible payment methods - monthly, annual, and full
- Software Support that is included - never find yourself uncovered
- Simplified licensing structure • Better license entitlements to Cisco Collaboration solutions
- An easy migration to the cloud

The last day to renew Software Support Services (SWSS) for perpetual licenses is listed in Table 1. Customers who need additional licensing and / or to renew software support after this date will be able to get full support for their on-premises calling deployments by renewing with Collaboration Flex Plan.

For more information about Collaboration Flex Plan 3.0, reference the ordering guides at this link:
