

End-of-Sale and End-of-Life Announcement for the Cisco Compact Amplifier and Node Accessories

EOL11537

Cisco announces the end-of-sale and end-of-life dates for the Cisco Compact Amplifier and Node Accessories. The last day to order the affected product(s) is April 28, 2018. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

Various Cisco Compact Amp and Node accessories are being announced for discontinuation effective in early calendar year 2018. This discontinuation coincides with the discontinuation of our Cisco Compact amp and node products.

Table 1. End-of-Life Milestones and Dates for the Cisco Compact Amplifier and Node Accessories

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	April 28, 2017
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	April 28, 2018
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	July 27, 2018
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	April 28, 2019
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	April 28, 2019
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	July 27, 2022
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	April 30, 2023

HW = Hardware OS SW = Operating System Software App. SW = Application Software

The products listed below will be available throughout the end-of-sale period assuming there is no discontinuation of supply of the components required to manufacture these products. Cisco will take reasonable measures to ensure the continuation of the supply throughout this period.

Product Migration Options

There is no replacement available for the Cisco Compact Amplifier and Node Accessories at this time.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Compact Amplifier and Node Accessories through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached.

For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
