

End-of-Sale and End-of-Life Announcement for the Cisco GS7000 1 GHz Nodes

EOL12948

Cisco announces the end-of-sale and end-of-life dates for the Cisco GS7000 1 GHz Nodes. The last day to order the affected product(s) is August 23, 2019. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions.

Table 1. End-of-Life Milestones and Dates for the Cisco GS7000 1 GHz Nodes

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	February 22, 2019
End-of-Sale Date : HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	August 23, 2019
Last Ship Date : HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	November 21, 2019
End of Routine Failure Analysis Date : HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	August 22, 2020
End of New Service Attachment Date : HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	August 22, 2020
End of Service Contract Renewal Date : HW	The last date to extend or renew a service contract for the product.	November 18, 2023
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	August 31, 2024

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options

As we migrate from our 1 GHz GS7000 Nodes to the 1.2 GHz version we will be reducing the possible options that can be configured on the 1 GHz nodes. Going forward customers will not be able to specify nodes to be configured with either transmitters or transponders. All of these options will need to be ordered as a separate line item.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at:

https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco GS7000 1 GHz Nodes through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <https://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.

For More Information
