Overview

EOL14889

Cisco announces the end-of-sale and end-of-life dates for the Cisco Aironet Accessories. The last day to order the affected product(s) is January 29, 2024. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Aironet Accessories

| Milestone | Definition | Date |
|---------------------------------------|---|------------------|
| End-of-Life Announcement Date | The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public. | October 30, 2023 |
| End-of-Sale Date Accessory | The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date. | January 29, 2024 |
| Last Ship Date Accessory | The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time. | April 28, 2024 |
| Last Date of Support Accessory | The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete. | January 31, 2027 |
