

## Modify User Settings

---

- [Change User Interface Theme, on page 1](#)
- [Modify Time Zone, on page 1](#)

### Change User Interface Theme

You can choose one of three user interface themes:

- Dark (default)
- Light
- High-contrast

Change the theme by following these steps:

- 
- Step 1** Click your user initials in the top-right corner, then select **My Settings**.  
**Step 2** From the **Theme** drop-down list, select a theme, then click **Save**.
- 

### Modify Time Zone

You can modify the time zone for the system.

- 
- Step 1** Click your user initials in the top-right corner, then select **My Settings**.  
**Step 2** From the **Timezone** drop-down list, select a time zone, then click **Save**.
