

Preface

This preface describes this guide and provides information about the conventions used in this guide, and related documentation.

It includes the following sections:

- [About this Guide, on page i](#)
- [Conventions, on page i](#)
- [Related Documentation, on page ii](#)
- [Communications, Services, and Additional Information, on page ii](#)

About this Guide

This guide provides instructions to install your Cisco Access Point and provides links to resources that can help you configure it. This guide also provides mounting instructions and troubleshooting information.

Conventions

This document uses the following conventions for notes, cautions, and safety warnings. Notes and cautions contain important information that you should know.

Note Means *reader take note*. Notes contain helpful suggestions or references to material not covered in the manual.

Caution Means *reader be careful*. Cautions contain information about something you might do that could result in equipment damage or loss of data.

Warning Safety warnings appear throughout this guide in procedures that, if performed incorrectly, can cause physical injuries. A warning symbol precedes each warning statement.

Related Documentation

All user documentation for the Cisco Catalyst 9124AX series access point is available at the following URL:

<https://www.cisco.com/c/en/us/support/wireless/catalyst-9124ax-series/series.html>

For detailed information and guidelines for configuring and deploying your access point in a wireless network, see the following documentation:

- Cisco Catalyst 9800 Series Wireless Controller Software Configuration Guide, at the following URL:

<https://www.cisco.com/c/en/us/support/wireless/catalyst-9800-series-wireless-controllers/products-installation-and-configuration-guides-list.html>

- Video Series: Best Practices for Installing Outdoor Wireless Access Points at the following URL:
