Overview of Cisco Spaces: Smart Workspaces

The Cisco Spaces: Smart Workspaces solution enables hybrid work for your office facilities through applications such as **Space Experience** and **Space Manager**. This solution offers a quick and easy onboarding experience both for your employees and building facility managers.

- The **Space Manager** app provides access to real-time occupancy data such as meeting room capacity and availability. The app also displays environment-related telemetry such as ambient temperature, humidity, air quality, and noise.

- The **Space Experience** app allows you to enable signages across buildings, and floors through Cisco Spaces.
